In the Matter of:

Petition of Doe Valley Utilities, Inc. for)	
Declaration as to Jurisdiction of the Public)	CASE NO. 2003-00360
Service Commission, or for Alternative Relief)	

MOTION FOR GENERAL CONTINUANCE

Comes now the petitioner, Doe Valley Utilities, Inc., by counsel, and respectfully moves the Commission to enter an Order granting a general continuance of this action, and suspending the scheduling order entered on November 21, 2003. As grounds for this motion, petitioner states that effective January 16, 2004, a new board of directors has been installed, and new interim management of DVU has been appointed. Accordingly, it is necessary for the new management and board of DVU to obtain additional time to review this matter before submitting its pre-filed testimony. DVU has notified the Commission staff and all parties of record of this request, and all parties have indicated that they have no objection to such a continuance. DVU further submits that a combined meeting of the DVU board and the Doe Valley Association, Inc. shareholders, which will address issues relevant to this petition, will be conducted on January 26, 2004, after which DVU will submit a status report to the Commission and all parties of record.

Respectfully submitted,
